

3-week sermon series on 1 Corinthians 13

SERIES OVERVIEW

What is the most influential force in the world? Power? Greed? Sex? Pride? Thankfully, it's none of the above. The Bible says it's love. Not the emotional, passive, fall-in-love kind of love. It's a love the Bible calls agape—it's active, resilient, and fierce; it can melt frozen hearts, open stingy hands, and change the course of a life. And it's defined not by words on a page, but by a Person who walked the earth. Let's dream about what our lives could be like if we were captivated and catapulted by the power of agape.
