# REBUILDING

DOING WHAT ONLY YOU CAN

## INSTRUCTIONS

### PREPARE

Before your small group meets, or if you are doing this on your own...

- Review the weekly Nehemiah passage. Ask God to help you read and hear His voice. Ask Him for a way to personally apply the message you hear, and for the power to obey.
- Review the group materials and answer questions in preparation for your discussion.
- Pray for your small group members by name, using your weekly prayer sheet.

### DURING YOUR GROUP

- Begin with prayer.
- Read the passage together and share your observations, “big ideas”, next steps, and Christ in Focus.
- Discuss sermon questions, if needed/time allows.
- End your group in worship & prayer. Use the prayer sheet to record prayers/praises. Consider sub-grouping (men/women, or in smaller groups of 2 or 4) for a more intimate prayer time.
