

Seek First

The Kingdom of God

SERIES OVERVIEW

Our culture is more angry and divided than ever. Especially during election season, we'll be bombarded by passionate voices, demanding our allegiance and demonizing all who disagree with them. Let's not get pulled into the ugliness. Each Sunday this fall, we'll hear a New Testament teaching that reminds us we belong to a higher kingdom and serve a higher King—who sends us into the world as carriers of his grace and truth.
