WHAT WE BELIEVE AND WHY IT MATTERS

SERIES OVERVIEW

We are a mess. The institutions we used to trust—government, higher education, media—have lost credibility. Many have turned to secular culture, but the answers offered by social media and entertainment figures have proven empty. Where does that leave us? Disillusioned and jaded, and asking—like Pontius Pilate cynically asked 2,000 years ago—“What is truth?” But one thing has remained unchanged: the message of the Bible. In this 10-week series, we’ll explore ten core truths taught in Scripture. These truths don’t just form The Chapel’s Doctrinal Statement; they are the historic beliefs held by the church for the past 2,000 years...and they still provide the True North our culture desperately needs.
