

VISION SUNDAY

 LOVE GOD, LOVE PEOPLE, SERVE THE WORLD

SEPTEMBER 10, 2023

DAVE GUSTAVSEN

1. LOVE GOD

Read Matthew 22:37-38. Pastor Dave said we are living in a culture of distraction. What are some of the ways you fall into distraction? What do you do to guard against it?

PRAY

Jesus said there is nothing more important in all of life than loving God. Ask God to help us fan the flame of our love for God (as individuals, as a family or small group, as a church).

2. LOVE PEOPLE

Read Matthew 22:39. If we truly love God, it will always lead to loving people. How has loving God affected your relationships with others?

- If you are not yet in a small group, consider joining one for Common Ground. The Beginnings Group on Wednesday nights at Sunset is a great place to start!
- If you are already in a group, thank God for the blessing of community!

PRAY

Ask God to help your relationships grow and flourish. Pray that your love for people would be evident in your life – and point others to Christ!

3. SERVE THE WORLD

Jesus said, **“Even the Son of Man did not come to be served, but to serve.”** How does Jesus’ model of servanthood inspire you?

PRAY

If we’re following Christ, we will be an outward-focused church. We will care deeply about the brokenness around us, and we’ll be involved in helping to heal that brokenness. Ask God to give you His heart for the world. Ask Him to show you where and how you can get involved (individually and/or as a family or Small Group). Commit to serve in some way in the year ahead!
