Here's what we're learning:

MONTHLY MEMORY VERSE

This God—His way is perfect; the word of the Lord proves true. (Psalm 18:30a)

CREATION (Genesis 1)

Week 1

Brite Idea: God created the world.

He Question: Why did God create the world?

God created the world to show His glory and so people could know and love Him.

We Question: How are people special in God's creation?

God made man and woman in His image. He created each of us to have a special relationship with Him.

ADAM AND EVE (Genesis 2:8-17, 3:1-24)

Week 2

Brite Idea: God loves people.

He Question: How is God different from people?

God rules over all things. He is holy and perfect. People sin, but God never does. Sin separates people from Him. However, God is greater than all things and has a deep love for His people.

We Question: How does God show He loves people?

God loves us so much that He planned from the beginning to provide a Savior so we could be with Him forever.

ABRAHAM'S CALL (Genesis 12:1-9; 15:1-6; 17:1-8)

Week 3

Brite Idea: God makes promises to His people.

He Question: Why does God make promises?

God made promises because He has a plan for the world. His promises teach us about His character, faithfulness, and love.

We Question: Does God make promises to us now?

The Bible is full of God's promises to all His people. These promises are for His glory and our good.

BIRTH OF ISAAC (Genesis 18:1-15; 21:1-6)

Week 4

Brite Idea: God keeps His promises.

He Question: Does God always keep His promises?

God always does what He says He will do in His own timing and in His own way. He never lies or changes His mind.

We Question: How do we know we can believe God's promises?

God has been faithful to His people since creation. We can remember the stories of His kept promises. He loves us and continues to keep every promise.

JOSEPH AND HIS BROTHERS (Genesis 42-45)

Week 5

Brite Idea: God works all things for good.

He Question: Does God always turn bad things into good?

Bad things happen because our world is broken by sin. Some things look like they will never be better, but God is greater. He uses everything for His perfect plan to redeem His people and to bring glory to Himself.

We Question: Why don't we always understand what God is doing?

God knows everything. We do not. We can trust that His promises are always true and His plan is always best, even when we don't understand.
